The E-Chair Bed is a bariatric transport chair or bed with a load capacity of 700 lbs. Stainless steel and ABS molded deck can be decontaminated. 2" pressure relief convoluted cushions. Side rails and foot rest provide patient comfort. Back folds back flat for bed/transport.

Specifications:

Seat: 34" x 30" • Footrest: 30" x 40" • Weighs 375 lbs.

E-Autopsy 5001-SS

Autopsy table with tray, tilt and height adjustment. Frame and deck constructed of medical grade stainless steel. Folds flat for storage. Casters with brakes for easy movement of table. Adjustable height up to 35" tall. Specifications: 80" x 31" • Weighs 102 lbs.

E-Rack 500-21-3

Mortuary storage system rack stacks three high. Constructed of medical grade stainless steel. No rusting • No corrosion • No oxidizing. Molded body support deck can be decontaminated. Deck will not rot, and is a replaceable item. Folds flat for easy storage. Connecting plugs for each rack. Each rack can store one to three bodies at a time. Specifications: 80" x 31" • Rack weighs 139 lbs.

E-CSI Table 500-1SS

Constructed of medical grade stainless steel. No rusting • No corrosion • No oxidizing. 4 locking caster wheels for easy transport. Adjustable height up to 35" with leg extensions. Specifications: 60" x 36" • Rack weighs 74 lbs.

E-Hygiene 5001

Hygiene Mortuary Workstation with full sink and two shelves. Constructed of medical grade stainless steel. No rusting • No corrosion • No oxidizing. Instant 110V electric water heater with adjustable temperature. Two stainless steel faucets. 4 locking caster wheels for easy transport. Adjustable height up to 35" with leg extensions. Folds flat for storage. Specifications: 80" x 31" • Rack weighs 170 lbs.

E-Dolly

Transport Dolly stores 15 E-Beds with casters. All aluminum frame with 4 casters (2 locking). Includes zippered vinyl cover and ratchet straps. Specifications: Measures 80" x 31" x 36" • Weighs 90 lbs. (without beds)

E-Bed System Options:

Isolation Pod Kit

Coverts E-Bed Medical Treatment Bed or E-Cot into an Isolation Pod.

Part Number: E-Pod-Kit-500-1

Powder-Coated Shelving Unit

Converts any E-Bed Medical Treatment Bed or E-Cot into a Workstation. Includes one shelf and two connection plugs.

Part Number: E-Shelf-500-1PC

Stainless Steel Shelving Unit

Converts any E-Bed Medical Treatment Bed or E-Cot into a Workstation. Includes one shelf and two connection plugs.

Part Number: E-Shelf-500-1SS

Bariatric Support Frame

Stainless Steel attachment for lateral strengthening of E-Bed or E-Cot.

Part Number: E-Bariatricframe-500-1

E-Pediatric Conversion Kit

Converts any E-Bed Medical Treatment Bed or E-Cot into a Pediatric Care Bed.

Part Number: E-Pedbedkit-500

E-Back Rest

Provides a complete and adjustable back rest for any E-Cot.

Part Number: E-Backrest-500

E-IV Pole, Non-Adjustable

Standard non-adjustable IV pole.

Part Number: E-IVPOLE-500-1

E-IV Pole, Adjustable

This IV Pole is made of heavy duty stainless steel and adjusts up to 30". The IV Pole includes 4-hook.

Part Number: E-IVPOLE-500-30

E-Bed Side Rails

This kit includes a set of two bed side rails to be added to any E-Cot or E-Bed.

Part Number: E-BEDRAIL-500-2

E- Casters

This set of 4 caster wheels and 10" leg extension tubes can be added to any E-Bed or E-Cot.

Part Number: E-CASTERS-500-4

E-Leg Extension Tubes 10"

Set of four 10" leg extension tubes to add height to any E-Bed or E-Cot.

Part Number: E-LEGEXT-500-10

E-Leg Extension Tubes 14"

Set of four 14" leg extension tubes to add height to any E-Bed or E-Cot.

Part Number: E-LEGEXT-500-14

Caster Storage Bag

The pair of bags store two caster wheels and attach to the E-Bed during storage.

Part Number: E-BGCST

E- Mattress 3.75"

3.75" thick pressure relief convoluted foam mattress fits any E-Bed or E-Cot.

Part Number: E-MATTRESS-500-4

E- Mattress 2"

2" thick pressure relief convoluted foam mattress fits any E-Bed or E-Cot.

Part Number: E-MATTRESS-500-2

E- Mattress Anti-Slip Pad

Position between mattress and E-Bed platform to prevent slipping.

Part Number: E-Bed-500-PAD

E-Bed Storage Shelf

This mesh shelf attaches between the legs of the E-Bed or E-Cot system to store patient belongings.

Part Number: E-SHLF

All products are a one time purchase, since they can be decontaminated and put back into service.

Medical Grade Stainless Steel

- no rust • no corrosion • no oxidation
